Kids Club is an unlicensed facility and is exempt from requirements for day care centers as a unit of the public school system pursuant to 36-884(3). HUSD's practice requires parents, guardians, or an adult emergency contact to document entrance into and departure from the program daily. By following these procedures, we ensure a safe and secure environment for all children in our care. Thank you for your cooperation!

Drop ins

We staff our sites based on contracted children. While we do understand that emergencies and unforeseen circumstances occur, we cannot guarantee space for drop in children. If you find yourself in need of childcare on an unscheduled day, you must call the Kids Club main line at 480-279-7055 or you can email community.education@husd.org to put in a drop in request. You must receive approval before your child can attend. Drop-in rates are not eligible for any discounts and payments will be processed on the next invoicing cycle upon acceptance along with a \$5 processing fee.

Absences

To ensure the safety and well-being of all children, it is important for parents or guardians to notify the Kids Club program site if their child will not attend as scheduled. Please contact the Kids Club site directly via the provided cell phone number to report any absences. Our staff will check messages at the start of each shift and every half hour during program hours.

If your child is absent due to a potentially infectious illness, please inform the Program Leader. This allows us to meet the Department of Health Services requirements and keep all families informed of any potential health concerns.

Please note that we do not offer refunds or credits for unused program days. Additionally, if a child is absent from school, they may not attend Kids Club on that day.

A child cannot attend the program if they exhibit any of the following symptoms:

- Fever within the past 24 hours
- Vomiting
- Diarrhea
- Swollen glands
- Undiagnosed rash
- Head lice

Additionally, a child who did not attend school on the current day due to illness will not be accepted into the Kids Club on that day. If a child becomes ill while attending the Kids Club and shows symptoms such as fever, vomiting, frequent diarrhea, or the onset of a rash, a parent, guardian, or emergency contact will be notified to pick up the child immediately.

Due to the high demand for Intersessions this year, we are implementing a two-day no-show policy. If your student is absent for two of their registered Intersession dates, they will be removed from the Intersession program, and the remaining registered dates will be made available to other students. Look for deadlines on intersession modifications on your invoice!

To help us accommodate as many students as possible, please update your child's camp schedule to avoid absences. You can drop any days that your child will not be attending and consider any family vacation plans. At this time, adding additional days will not be possible.

Please note that schedule modifications must be made by NOON on Wednesdays for the upcoming week. Invoicing will follow.

Dismissal from Program

- To maintain a supportive and safe environment for all children, Kids Club reserves the right to withdraw a child from the program due to financial or behavioral concerns. This may include issues such as removed auto payments, insufficient funds, or chargebacks.
- If a payment by any responsible party is more than 5 days overdue, the child's enrollment may be paused. The responsible party will be liable for any related costs. All scheduled days will be removed, and future participation requests will be subject to review.
- Program administrators may also decide to withdraw a child if they determine the child is unable to benefit from the program or if the child's behavior poses a safety risk to themselves, other children, or staff members.
- All behavioral incidents will be handled according to our guidelines, with thorough documentation. We are committed to involving parents in addressing behavioral concerns and implementing progressive consequences. Our ultimate goal is to support the success and well-being of every child in our program.

To protect the health of all children, parents must contact the site directly to inform the Program Leader when an absence is due to illness. The Department of Health Services requires Kids Club to inform all families of potentially infectious illnesses. Please inform the Site Lead if your child's absence is due to a potentially infectious illness.

Behavior Guidelines

Behavior guidelines are established to maintain the physical and emotional well-being of each child and to teach self-discipline, good judgment, and character traits. Parents and staff are viewed as partners in guiding each child's development and are expected to work collaboratively to establish consistency. The HUSD Kids Club Program follows the behavior expectations of the Higley Unified School District's Code of Conduct. If inappropriate behavior is displayed, guidelines are in place to assist staff in correcting that behavior, continuing misbehavior will be reviewed for suspension. Examples of inappropriate behavior include, but are not limited to the following:

- Inappropriate language/actions: Use of foul, abusive, or unkind words, inappropriate gestures/actions toward others.
- Harm to others: Physically striking or injuring another person (staff or participant).
- Harm to self: Physically harming or causing injury to self.
- Misuse of or damage to property: Improper care or use of equipment, supplies, facility, or items that do not belong to the participant.
- Removing or using property belonging to others without their expressed permission.
- Children who leave the program site without permission.
- Non-compliance with directives from staff.
- If your child receives an out of school suspension (OSS), they may not attend Kids Club for the duration of suspension.

Staff will take the following progressive steps to correct a problem and/or inappropriate behavior:

- Discuss and help child understand what they must do to correct the behavior.
- Encourage child to take responsibility for their actions.
- Document continued inappropriate behaviors/actions.
- Notify parents of incidents that occur.

Steps for Success

Our goal is to ensure a safe and nurturing environment for all children. While we aim to follow the steps below under normal circumstances, we may need to accelerate this process if a child exhibits extreme behavior that endangers others. Examples of such behavior include, but are not limited to, throwing objects, physical aggression, abusive language, threats, bullying, biting, spitting on others, and leaving the Kids Club program unsupervised.

1. **Verbal Notification:** We will first inform the parent verbally of the concerning behavior.
2. **First Written Documentation:** The parent will receive a written report detailing the behavior.
3. **Second Written Documentation:** If the behavior persists, the parent will receive a second written report and will be asked to pick up the child immediately. A required parent meeting will be scheduled to create and implement a "Step for Success" plan before the child returns to Kids Club.
4. **Third Written Documentation and Suspension:** If the behavior continues despite the implemented plan, the parent will receive a third written report, and the child will be given a 2-day suspension from the program.
5. **Further Action:** If the behavior persists after all steps have been taken, the child may be suspended or removed from the Kids Club program.

In cases where a student is removed from the program for disciplinary reasons, they may re-enroll on a trial basis at the start of the next semester, subject to available program enrollment.

Accidents & Emergencies

To ensure the safety and well-being of all children, parents must grant program staff permission to administer first aid in the event of an injury and to seek medical care or emergency transport as needed. In emergency situations, emergency contacts will be notified as soon as the child's needs are addressed and when it is practical to do so.

Health Records

It is important to keep your child's health records up-to-date at your Kids Club site. Any changes to emergency information or immunization records must be made directly at the site, as updates provided to the school office are not forwarded to Kids Club. An immunization record must be provided at the time of registration before your child can attend Kids Club. The record must include all information required by the Arizona Department of Health Services. Additionally, IEP records must be submitted along with a contract request to ensure proper accommodations can be made.

Medication Administration & Emergency Procedures

Medication will only be administered to a participant with prior arrangements made with the Program Leader. Approved medications must be in the original prescription container labeled by the pharmacist, including the child's name, date, dosage, medication name, and method of administration. Kids Club will need their own set of medications. Parents or guardians must complete a "Medication Consent Form" for any medication, including over-the-counter medications.

- Any unused, expired, or incomplete prescription medication will be returned to the parent or guardian.

- Medications will be disposed of two weeks after the expiration date or a child's withdrawal from the program.
- In case of an emergency as determined by program staff, paramedics will be called, and a parent will be notified immediately. Kids Club is not responsible for any charges incurred (e.g., ambulance transport).
- A medical consent form must be fully completed for all intersessions (Fall, Winter, Spring, and Summer). Please contact the Program Leader for further information regarding these matters.

Sun Safety

We understand that too much sun can be harmful and that children are especially susceptible to harm by UV radiation. Kids Club is committed in protecting the health and safety of our children. When the local weather and environmental conditions are at levels where negative health consequences can occur, staff and children will take the following precautions for outdoor activities during camps and before and after school programs.

- Daily staff will check current UV index prior to implementing planned outdoor activities. Based on the UV index, staff may adjust the schedule and keep children inside when warranted.
- Parents are encouraged to apply sunscreen to children prior to arriving.
- School Age (K-6th) can carry their own sunscreen and apply it to their person when needed. This sunscreen must be properly labeled with their name and cannot be shared with others.
- Children are encouraged to keep a hat at the program for use during outdoor activities.
- Children and staff will make use of shaded areas during outdoor activities.
- Staff and children will receive regular education and training regarding sun safety practices.

Personal Belongings

Toys, cell phones or electronics are not permitted in Kids Club. Any child that utilizes an Apple watch/Gizmo etc is not permitted to play games, make calls on device. If problems arise, the device may be taken and locked in a secure location until it can be returned to the parent. Parents may contact site cell phone with concerns of child. Money should not be brought to Kids Club. Please label all belongings, backpacks, water bottles, and lunch boxes with the child's name or initials. **For intersessions-we are asking that students bring lunches in a disposable sack. Backpacks are discouraged but will be permitted on pool days. All lost and found will be donated weekly.**

Special Needs

Higley Unified School District fully comply with the requirements of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable DHS regulations, and applicable federal, state, and local laws. Reasonable modifications will be provided to afford a student with a disability meaningful access to the HUSD Kids Club, unless demonstrated that the modification would be a fundamental alteration in the nature of the program or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from the HUSD Kids Club if that student, even with reasonable modifications, is so disruptive as to jeopardize the safety, enjoyment, and learning environment of other students and the HUSD Kids Club staff.

If your child has special needs or disabilities, please notify the Community Education Supervisor prior to registration.

Field Trips and Transportation Policy

HUSD Kids Club does not regularly schedule field trips during the school year, with the exception of Intersessions. All children must follow all bus and field trip rules. Field trips require students to wear Kids Club or color specific T-shirts.

Liability Insurance

HUSD Kids Club is covered by the Higley Unified School District insurance through the Arizona School Risk Retention Trust.

The HUSD Kids Club school-year program is open to all children, ages 3-12, (potty trained) attending a school in the Higley Unified School District. Holiday and summer intersessions are open to any child, ages 3-12, (potty trained) regardless of school district. KIDS CLUB does not discriminate based on race, creed, color, or gender.
