

We can't believe it is already time to start preparing for the 2025–2026 school year!

1st Day School Supplies makes it easy. In just a few clicks, you have the option to order the exact supplies your teacher requested, packaged in a beautiful new box and delivered on time directly to your child's classroom, stress-free!

We have some additional information below that we want to provide you with to ensure that students have the supplies necessary for the new school year.

***ALL students will need a set of headphones.**

It is necessary for all students to have a personal set of headphones; however, we have received feedback from families that they have headphones in good working condition from the prior year or a specific brand they prefer. In all lists you will see that headphones are now an optional add on for purchase with your child's grade level kit for the 2025–2026 school year. This allows you the flexibility of purchasing them or having your child bring in the ones they already have or prefer.

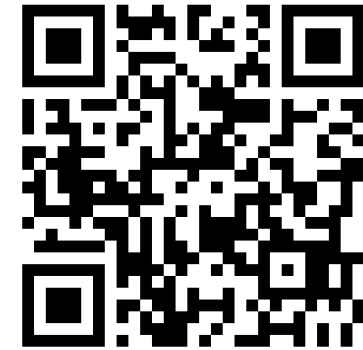

***For students in the Dual Language Immersion– Spanish Program.**

All students in the DLI program need a headset with a microphone. If your child has these headphones in good working condition, you do not need to purchase a new set each year. In all lists you will see that headphones meeting this requirement are now an optional add on for purchase with your child's grade level kit for the 2025–2026 school year. You are welcome to purchase a headset with the noise-canceling microphone, such as these...

This is the same headset that students use for their STAMP test each year and it is ideal for recording in Seesaw. (They are often on sale, so watch for a deal!)

In addition, our future 3rd– 6th grade DLI students will need a Spanish dictionary. The students will use these items year after year!

**Order From 1st Day
School Supplies for
2025/2026**

Up until June 15th you can scan this QR code to order your child's supplies and have them delivered to their classroom! If you prefer to shop in person the supply lists are attached.
